

OUR MAIN STRENGTHS

- Internationally renowned doctors for all cancer types
- Private non-profit health care institution
- Part of French healthcare system, internationally renowned for its quality
- **Specific expertise in several pathologies:** rare cancers such as sarcoma, rare gynecologic tumours, complex digestive tumours and pediatrics
- **Short time response,** appointments scheduled with minimum delay
- **Latest generation technology** for diagnoses and treatments: MRI, scan, PET Scan, Cyberknife...
- On-site research center for a direct transfer of research to patients' treatments
- **Excellent access to innovation:** close to 25 % of patients included in clinical trials

Our certifications

- Organisation of European Cancer Institutes (OEIC) Certification
- Head of European Excellence Network for solid rare tumours, gathering 60 European centers (EURACAN)
- Head of European Excellence Network for Pediatric Cancers (PAEDCAN)

Our core values

- Innovation
- Human-centered approach
- Strong ethical values for all our patients, without distinction of status or origins.

We are committed

- To admit you in our hospital only if the appropriate treatments are not available in your home country
- To admit you only if our physicians consider they can improve your health condition.

A measured and certified patient satisfaction

- 85.36 % of our patients are satisfied by the quality of care provided by our physicians and surgeons
- 87.15 % satisfied by the quality of care provided by nursing professionals.

LYON

A WELCOMING AND EASILY ACCESSIBLE CITY

The Léon Bérard Cancer Center takes advantage of the many international connections of Lyon, and offers favorable conditions for the stay of patients and their families.

Easy access

- 1 international airport, Lyon-Saint-Exupéry (115 national and international connections)
- 3 railway stations connected to European capitals (Lyon Part-Dieu, Lyon Saint-Exupéry & Lyon Perrache railway stations)
- Fast and efficient transportation network making getting around the city easy.

Excellent conditions for a stay with a healing environment

A city on a human scale, with a rich history, cultural heritage and natural environment (rivers, parks...), Lyon is an excellent alternative to other European capitals in terms of comfort and quality of stay at reasonable prices.
